Overview

The International Society for Pharmacoeconomics and Outcomes Research (ISPOR) Saudi Arabia Chapter was established on May, 2010. ISPOR Saudi Arabia maintains affiliation as a component chapter of the International Society for Pharmacoeconomics and Outcomes Research. The Mission of ISPOR Saudi Arabia is as follows:

1. Provide an environment where health care practitioners, decision-makers and researchers interested in pharmacoeconomics and outcomes research can share knowledge at the level of Saudi Arabia and the Gulf Region.

2. Serve as a bridge to bringing together Saudi Arabia and Gulf Region health care practitioners, decision-makers and researchers interested in pharmacoeconomics and members of the pharmaceutical industry, health related organizations, and academia.

3. Act as a resource at a local level for individuals interested in pharmacoeconomics and outcomes research.

4. Provide an opportunity for ISPOR-Saudi Arabia chapter members to become more familiar with the activities of ISPOR as well as participate in its activities.

ISPOR Saudi Arabia domicile is the Saudi Arabian National Guard Health Affairs. Active membership is open to any individual in Saudi Arabia or the Gulf Region interested in the society and supports its mission.
