## RESEARCH POSTER PRESENTATIONS OVERVIEW

OVER 590 POSTER PRESENTATIONS WILL BE ON DISPLAY DURING THE CONFERENCE IN **Nicoll 1-3 on Level 3.**

- The poster hall is now organized in rows (A-T) and each poster board is numbered accordingly (e.g. A1, H7).
- Each poster presentation has been assigned a specific numbered board location, which is shown next to the poster presentations title. Please note that this is different than the poster code (e.g. PCN4, PRM12), which was assigned to each poster presentation upon acceptance.
- Poster presentation titles and authors, as well as the numbered board location, are available on the [myISPORSingapore.zerista.com](http://myISPORSingapore.zerista.com) web platform and ISPOR Singapore mobile app. This information is also available as a PDF on the ISPOR website and as a handout at the Poster Help Desk (please note quantities are limited).
- The abstracts and Author Index will appear in the November issue of *Value in Health* (Volume 19 Issue 7). This issue of *Value in Health* will be available to ISPOR members and 7th Asia-Pacific Conference attendees online in October 2016 at [http://www.ispor.org/valueinhealth\\_index.asp](http://www.ispor.org/valueinhealth_index.asp). Abstracts are also currently available for viewing on the [myISPORSingapore.zerista.com](http://myISPORSingapore.zerista.com) web platform, ISPOR Singapore mobile app, and on the ISPOR website.
- Poster board numbering is available on the floor plan on page 47 and row locations (by topic) are available in the table below.
