Exhibitor Service Manual

TThe ISPOR 2026 **Exhibitor Service Manual** contains official vendor order forms, a deadline checklist, submission forms, and other key resources for your Exhibiting needs. Please note cube the order deadlines, as exhibitors must use the manual tote place orders and access show information.

Through the Exhibitor Service Manual, exhibitors can order furnishings, signage/graphics, electrical, floral services, and more.

Order GES Services by April 23 for Best Pricing!

Booth Rendering Submissions

All Exhibits 200 ft² or larger are required to submit a digital drawing/rendering to ISPOR Show Management for the ISPOR 2026 conference via the **ISPOR 2026 Booth Rendering Submission Form by March 30, 2026.**
All renderings must include top, front, and side view of the Exhibit booth and clearly indicate height and width dimensions of all walls and major structures, including any required setback measurements. ISPOR approval is required before fabrication begins.

For your reference, complete Exhibit space and décor rules can be found on pgs. 2 & 3 of the **ISPOR Conference Exhibitor Rules & Regulations.**

NOTE: Please do not ship your booth until ISPOR Show Management has reviewed and approved your rendering!

Exhibitor Dashboard Access

Auto-login emails for the ISPOR 2026 Exhibitor Dashboard have been sent to each company's primary exhibiting point of contact.

The Exhibitor Dashboard is used to create and manage your company listing for the online **floorplan**, including your company name, booth number, description, logo, and website URL. This information supports attendee planning and visibility leading up to the conference.

During the conference, attendees will use the ISPOR 2026 mobile app to locate exhibitors onsite. Instructions for submitting your mobile app profile are included in the **Mobile App Submissions Form**.

If you did not receive the auto-login email, please contact **exhibit@ispor.org**
