## Pre-conference Short Courses – May 17

The short course program is designed to enhance knowledge and techniques in core health economics and outcomes research (HEOR) topics as well as emerging trends in the field.

Attendees can enhance their ISPOR 2026 experience by adding a short course or two. Short Course registration is an additional, separate registration fee.

If you have already registered to attend ISPOR 2026 and would like to now add a short course, this can be done by: [logging into your ISPOR account](#)>>Manage Profile>>My Account Links>> My Events >> select ISPOR 2026. Click on the Add Short Course(s) tab>> select the Short Course/s you would like to attend. Add to cart and check out!

# Poster Tours!

ISPOR has **curated collections of research posters** for you **within each of the poster sessions**. Each tour will feature high impact abstracts within a specific topical area and **will include a tour guide as well as the poster authors to share their work and engage in discussions with you**. The poster tours will be a 45 to 60-minute experience comprised of a brief overview of each poster (3-minutes), by the author, followed by an interactive discussion (~5-minutes).

## Fast Facts Sessions!

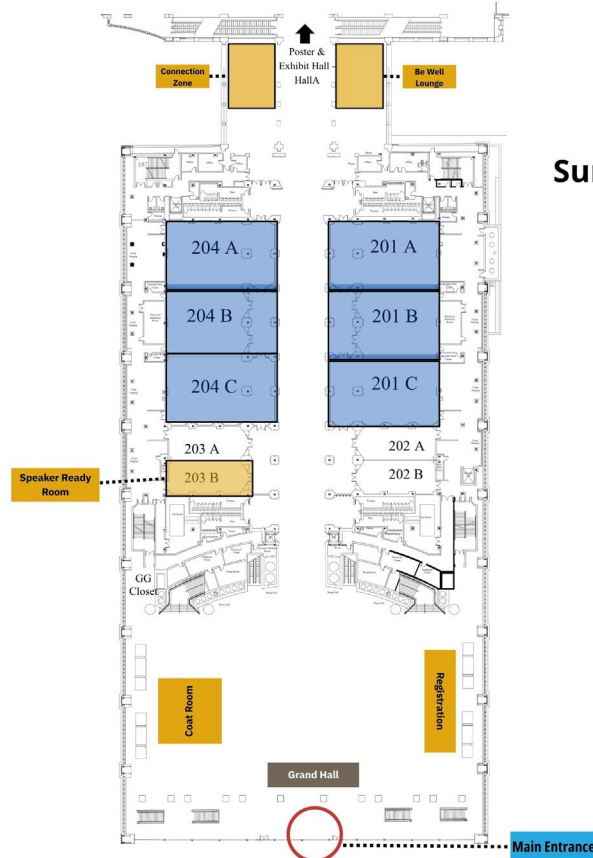

Have 30 minutes? Join in on a conversation and come away with new perspectives!

Try our **Fast Facts sessions located within the new Connection Zone**. Fast Facts sessions offer **learning through distilled down, fast paced information sharing**. This is an activity where **attendees will have the opportunity to interact with knowledge leaders and participate in a conversation to gain rapid understanding** in a subject of value or attain a greater perspective by listening to information.

This is a **non-traditional learning/networking hybrid specifically designed for peer-to-peer learning** and small groups of attendees.
