

Uploading Your Poster

Upload Period: Friday, April 17 – Wednesday, May 20

Providing these materials during the upload period ensures that they are available in the mobile app (registrants only), Presentations Database (public) and online program (public) beginning May 17.

These resources are intended for poster presenters. **If you are a moderator or speaker in an Issue Panel, Workshop, Other Breakout Sessions, Spotlights, Podium, Fast Facts, and/or Forum session(s), please visit the [Speaker Resources page](#).**

Uploading your materials to the **ISPOR 2026 Tasks Portal** will serve two purposes:

1. **ISPOR Presentations Database:** Poster PDFs uploaded will be displayed within the [ISPOR Presentations Database](#) beginning May 17.
2. **ISPO2 2026 Conference App:** Poster PDFs, and supplemental materials (handouts) will be made available in the ISPOR 2026 conference app beginning May 17. Uploading your PDF and supplemental material allows registrants to get the full experience of your research outside of your scheduled session time.

Only PDF file uploads are supported. Poster presenters will not be able to upload PPT, MP3 (audio), or MP4 (video) file uploads.
