

2023

ISPOR

A Year of Acceleration & Transition

Year in Review

For ISPOR, the previous year was one of significant acceleration as the Society achieved new heights. It was also a year of transformation and new direction in leadership. This look back at 2023 provides an overview of the breadth of engagement and offerings provided to ISPOR members and stakeholders.

RECORD CONFERENCE ATTENDANCE

ISPOR 2023

4596 Registrants—Highest attendance at an ISPOR international conference ever

27% higher than 2022

ISPOR Europe 2023

5696 Registrants—Largest ISPOR conference to date

14% higher than 2022

Real-World Evidence Summit 2023

This sold-out event was held prior to and co-located with ISPOR 2023.

HEOR EDUCATION

HEOR Learning Lab™ launched, providing unlimited, on-demand educational video content on a wide variety of HEOR topics to facilitate learning and innovative approaches in the field.

Short Courses are now offered in person and virtually—designed to enhance knowledge and techniques in core HEOR topics as well as emerging trends in the field.

Webinars are available live and on demand.

PUBLICATIONS MILESTONES

25th Anniversary

of ISPOR's preeminent journal *Value in Health*

Value in Health Regional Issues receives its first impact factor of 2.0.

6 ISPOR Reports published in *Value in Health*.

CONNECTIONS THROUGH MEMBER GROUPS

ISPOR'S MEMBER GROUPS PROVIDE UNIQUE OPPORTUNITIES FOR ENGAGEMENT AND CONTRIBUTION TO THE SCIENCE OF HEOR.

Special Interest Groups | Provide ISPOR members with a platform to focus on their topics of interest

Task Forces | Develop expert consensus guidance reports on international good practice standards for the field

Councils | Serve as advisory bodies for the Society

Roundtables | Patient Representatives and Health Technology Assessment Roundtables support interaction and engagement among healthcare stakeholders

Global Groups | Include chapters, networks, and consortia that promote regional development of the HEOR discipline in support of the Society's mission

Student and New Professionals Networks | Support and develop future HEOR leaders

Online Communities | Provide an interactive resource for members to connect from around the world

HONORING EXCELLENCE IN HEOR

Avedis Donabedian Award | Recognizes an individual's outstanding, life-long achievement in improving health outcomes
2023 Recipient: **Charles Phelps, PhD**

Marilyn Dix Smith Leadership Award | Recognizes a leader who has shown consistent, broad, and meaningful direction to the Society
2023 Recipient: **Shelby D. Reed, PhD**
