

ISPOR Asia Pacific Summit 2026

6-8 September 2026 | Bangkok, Thailand

Daniel Ng, PharmD, MBA, MPH

Head, Medical Affairs Regional Brand Strategy, International Markets, Astellas
Pharma, Singapore, Singapore

Daniel Ng currently serves as the key medical interface between global, regional, and local teams. In this capacity, he drives strategic alignment, facilitates cross-market collaboration, and helps translate scientific and medical insights into actionable medical strategies. With a career spanning HEOR, Value Evidence, and regional medical leadership, Daniel brings a uniquely broad perspective shaped by experience across the United States, Japan, China, and International Markets. His diverse background enables him to build strong stakeholder partnerships, and lead initiatives that advance patient outcomes while supporting organizational growth and innovation.
