- hc&ph, Ltd.; MojeLIEKY.sk, Ltd.; MAB Vision Ltd.; Vistelan, Ltd. – co-owner of several healthcare providers
- Foundation ZRAK – family-run NGO, supporting Healthcare, Relax, Academia and Culture Projects

# Major Hurdles in CEE

---

## Diagnosics and Treatment Access Delay

- > *The Patients W.A.I.T. (Waiting to Access Innovative Therapies) Indicator, EFPIA & CRA, May 2025*
- > *Future of Healthcare in CEE, GLOBSEC April 2024*

---

## Out-of-Pocket Burden

- > *doi.org/10.2908/TEPSR\_SP310, EUROSTAT November 2025*
- > *Global Health Expenditure Database (GHED) October 2025*
- > *Health at the Glance, OECD Indicators November 2023*

---

## Information Gaps and Knowledge Disparities

- > *Nigam Shah & John D. Halamka, How Medical Records Can Close the Information Gap in Patient Care. Harvard Business Review on Innovation, May 2023.*
- > *Pirnejad, Habibollah & Stoop, Arjen & Berg, Marc. (2006). Bridging information gaps between primary and secondary healthcare. Studies in health technology and informatics. 124. 1003-8. 10.3233/978-1-58603-647-8-1003.*
- > *Roger A. Atinga, Mtebi Nkrabia Gmaligan, Alice Ayawine, John K. Yambah, "It's the patient that suffers from poor communication": Analyzing communication gaps and associated consequences in handover events from nurses' experiences, SSM - Qualitative Research in Health, Volume 6, 2024, 100482, ISSN 2667-3215.*

# Further Patients and Caregivers Ambiguities

---

**PAGs and their Professionalism vs.  
Capacities and Capabilities**

---

**Natural History Studies, RCTs vs.  
Clinically Relevant Outcomes**

---

**Big Data vs. small engagement  
towards PROs, RWEs and Registries**

---

**Networking with HCPs, Industry and  
Academia vs. Ethics and Compliance**

# My personal perspective in numbers

---

## 2 – 625

> *Day 2 through Day 625 at ICU for Dg & Treatment Protocol*

---

## 2 – 48 (60) ... SK26

> *Dg screened in NBS across EU*

---

## 180 – 284 - 462

> *6MWT meters walked in 2022 - 2024*

# Some Smart Solutions of today and for tomorrow

**EUPATI HTA4ALL**

**Living Proof  
Advocacy  
Program**

**Electronic Health  
Records**

**PLAUD.ai**

**EMILIA Lime  
Health App**

So, let's #las<sup>2</sup>4h,  
let's hope for better  
HEALTH4ALL

## Questions are welcome!
