## Why use expert elicitation?

## Expert contributions to NICE guidance

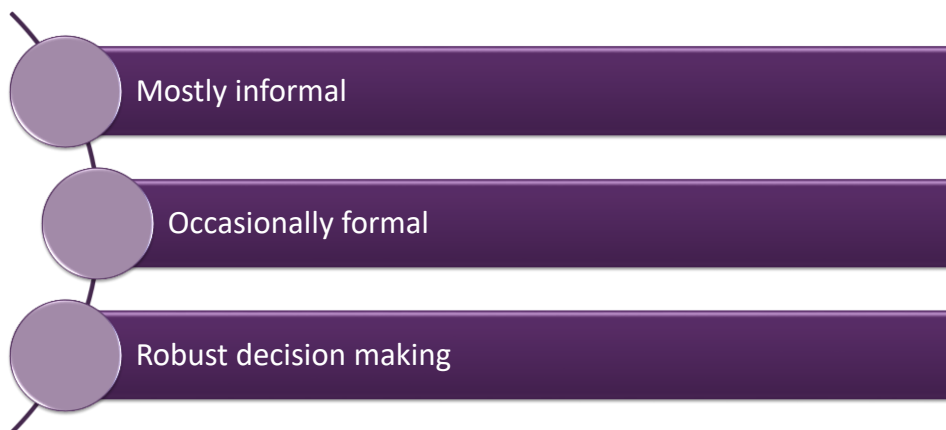

**NICE**

Peel et al. 2018. Use of Expert Judgement Across NICE Guidance-Making Programmes: A Review of Current Processes and Suitability of Existing Tools to Support the Use of Expert Elicitation. *Applied Health Economics and Health Policy*. 16, 6, 819-36.

3

## Current methods: quantitative data

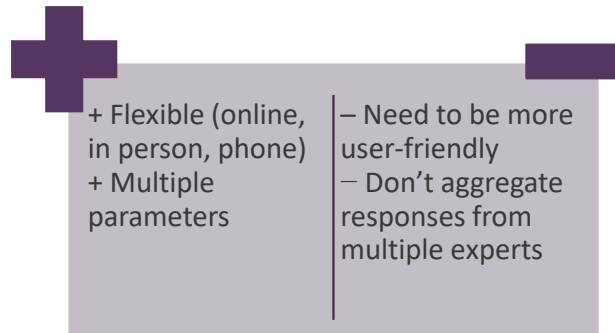

**NICE**

Peel et al. 2018. *Applied Health Economics and Health Policy*. 16, 6, 819-36.

4

## Are existing tools suitable for informing NICE guidance?

- MATCH and ExpertLens

**NICE** Peel et al. 2018. Applied Health Economics and Health Policy. 16, 6, 819-36.

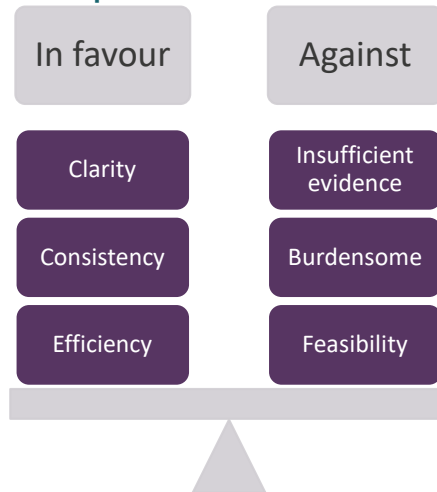

5

## Timelines

**NICE**

## Should NICE develop or endorse methods guidance on expert elicitation?

NICE

7

## Conclusion

Ongoing methods review

Scope for improvement but also substantial challenges

Prioritise? e.g. topics with more uncertainty and/or longer timelines

What would help:

- Academic consensus around a protocol
- Examples of common questions

NICE
