Conference Overview

- ISPOR Europe 2023 is a **fully IN-PERSON experience** designed to connect thought leaders and attendees in an immersive educational and networking environment. **Pre-Conference Short Courses are scheduled for 12 November with the main conference taking place 13-15 November**
- **NEW Digital Conference Pass (DCP): The Plenary sessions, Spotlights, breakout sessions, Educational Symposia, Exhibit Hall Theaters, and podiums are being captured for playback** via ISPOR's new Digital Conference Pass. Sessions, included within the DCP, will be available for playback beginning 5 December 2023 until 9 January 2024. **Bonus! Digital Conference Pass holders receive access to an exclusive Key Insights Session to be released in mid-December.**
- **Conference App: View all posters, set up your profile, and begin to network before the conference dates! As of 31 October**, download the conference app to set up your profile, begin creating your personalized conference schedule, view posters, say hello to conference attendees, and more!

Pre-conference Short Courses – 12 November

The short course program is designed to enhance knowledge and techniques in core health economics and outcomes research (HEOR) topics as well as emerging trends in the field.

Attendees can enhance their ISPOR Europe 2023 experience by adding a short course or two. Short Course registration is an additional, separate registration fee.

If you have already registered to attend ISPOR Europe 2023 and would like to now add a short course, this can be done by: [logging into your ISPOR account](#)>>Manage Profile>>My Account Links>> My Events >> select ISPOR Europe 2023. Click on the Add Short Course(s) tab>> select the Short Course/s you would like to attend. Add to the cart and check out!

[View the Short Courses](#)

Poster Tours!

ISPOR has **curated collections of research posters** for you **within each of the poster sessions**. Each tour will feature high-impact abstracts within a specific topical area and **will include a tour guide as well as the poster authors to share their work and engage in discussions with you**. The poster tours will be a 45 to 60-minute experience comprised of a brief overview of each poster (3-minutes), by the author, followed by an interactive discussion (~5-minutes).

Discussion Groups!

The conference schedule includes a series of **60-minute group discussions that are inspired by sessions within the program**. This set of **discussions will take place in the Discussion Lounge** located in Hall E. Many of the discussions will include the session moderator and speakers. Group discussions are open to all conference attendees and are **intended to be highly interactive, collaborative, and promote the exchange of ideas in a peer-to-peer setting**.

[View Discussion Groups](#)

Fast Facts Sessions!

Have 30 minutes? Join in on a conversation and come away with new perspectives!

Try our **new Fast Facts sessions located within the new Connection Zone**. Fast Facts sessions offer **learning through distilled down, fast paced information sharing**. This is an activity where **attendees will have the opportunity to interact with knowledge leaders and participate in a conversation to gain rapid understanding** in a subject of value or attain a greater perspective by listening to information.

This is a **non-traditional learning/networking hybrid specifically designed for peer-to-peer learning** and small groups of attendees.
