

Poster Presenter FAQs

This document is filled with frequently asked questions and answers to help ISPOR 2023 poster presenters develop and deliver their presentations.

How should my poster be formatted?

Posters should be created in Horizontal/Landscape format. See the [Poster Guide](#) for more information.

I am unable to present in-person, what should I do?

ISPOR 2023 is an in-person only event. If you are the presenting author and are unable to attend, you will need to find a replacement presenter (ideally one of your co-authors) or withdraw your presentation. Please email conferences@ispor.org with any changes.

How do I book my hotel room? Is there a discounted room rate for ISPOR 2023 attendees?

Several hotels in different categories have been pre-booked at preferential rates for the Conference. Accommodations are available on a first come, first served basis until the cut-off date of **March 31**.

Please [click here](#) to learn more and reserve your hotel room for ISPOR 2023. **All poster presenters are responsible for securing and paying for their own hotel accommodation. ISPOR will not reimburse for any hotel and/or travel expenses.**

Where can I learn more about health and safety measures for ISPOR 2023?

ISPOR is committed to the health and well-being of its conference attendees. Please visit the [ISPOR 2023 Health and Safety page](#) for the most up-to-date conference health and safety information.

What are the size dimensions of my printed poster?

The poster board is standard landscape, 4 ft x 8 ft. The poster should be created at 3.5 ft. x 6 ft. See the [Poster Guide](#) for more details.

Where can I print my poster onsite?

Presenters are responsible for printing and bringing their posters to the conference. **Do not ship your poster to the convention center.** There is an onsite printer available for your convenience, see the [Poster Guide](#) for more details.

What credentials do I need to access the Exhibit Hall and set up my poster?

Poster presenters are required to wear their name badge and poster presenter ribbon to access the Exhibit Hall. You will not be able to gain access without a name badge and poster ribbon.

My poster set-up time is before the exhibit hall opens; are there any access restrictions I should be aware of?

Yes...

- Before the exhibit hall opens, the presenting author will be permitted access to the poster area only. Poster presenters are not permitted to visit other exhibit hall areas until the exhibit hall is officially open.
- Before the exhibit hall opens, only the presenting author will be granted access. Co-authors, colleagues, guests, etc. will not be permitted inside until the exhibit hall is officially open.

My poster tear down time is after the exhibit hall closes. Once I leave the exhibit hall, can I go back in to gather my materials?

Once the exhibit hall closes and the poster presenter leaves, they will not be permitted to access the exhibit hall again. ISPOR strongly encourages poster presenters participating in Poster Sessions 2, 4 and 5, to gather all their materials before the exhibit hall officially closes.

How will I know where to hang my poster?

You will receive a poster board number prior to the start of the conference that you can reference on the exhibit hall floor.

When can we hang our posters?

Posters should be hung 30 minutes before your assigned poster session. See pages 2 and 5 in the [Poster Guide](#) for exact timing.

Do I need to arrive to my discussion session early?

Yes. We ask that all poster presenters arrive at their posters **15 minutes** prior to the start of the discussion session. Poster presenters are only required to be present during the discussion hour, not the duration of the poster session. See page 2 in the [Poster Guide](#) for exact timing.

What is a Poster Tour? How do I know if my poster was selected?

Please check your abstract notification email from Bianca Kovalenko (conferences@ispor.org) to see if your poster was selected for a poster tour. ISPOR 2023 poster sessions serve as galleries filled with visually stimulating science and we are excited to be enhancing that experience with our poster tour program. Each tour will feature high impact abstracts within a specific topical area.

The poster tours will be a 45 to 60-minute experience comprised of:

- A designated poster tour area within the Exhibit Hall
- 1 Tour Guide (poster tour host)
- 6 selected posters

During the Poster Tours:

- Each poster presenter (one author per poster) will be asked to provide a brief overview of their poster (3-minutes)
- After each poster overview, there will be an interactive discussion between the poster presenter, attendees, and the tour guide (~5-minutes) before moving to the next poster.

What is the dress code for the conference?

The dress code for ISPOR 2023 is business casual.
