What's the Difference Between Poster Board Numbers and Acceptance Codes?

Poster Board numbers are assigned and printed by ISPOR. This number indicates where you should hang your poster during your session.

Presenters will receive their assigned poster board numbers approx. 2 weeks before the conference.

Acceptance codes are assigned by ISPOR in your acceptance notification emails. Presenters are **required** to print their acceptance code on the top right corner of their poster.

This helps attendees find your poster in the ISPOR Europe 2026 mobile app.
