

Poster Presenter FAQs

This document is filled with frequently asked questions and answers to help ISPOR Europe 2026 poster presenters develop and deliver their presentations.

How should my poster be formatted?

Posters should be created in Vertical/Portrait format. See the [Poster Guide](#) for more information.

I am unable to present in-person, what should I do?

ISPOR Europe 2026 is an in-person only event. If you are the presenting author and are unable to attend, you will need to find a replacement presenter (ideally one of your co-authors) or withdraw your presentation. Please email conferences@ispor.org with any changes.

How do I book my hotel room? Is there a discounted room rate for ISPOR Europe 2026 attendees?

Several hotels in different categories have been pre-booked at preferential rates for the Conference. Accommodation is available on a first-come, first-served basis.

Please [click here](#) to learn more and reserve your hotel room for ISPOR Europe 2026. **All poster presenters are responsible for securing and paying for their own hotel accommodation. ISPOR will not reimburse for any hotel and/or travel expenses.**

What are the size dimensions of my printed poster?

The poster board is standard Vertical/Portrait, 2340mm high (7.67 ft) x 950mm wide (3.12 ft). The poster should be created in A0 format [A0 format dimensions: 841 mm x 1189 mm (33.1 in x 46.8 in)]. See the [Poster Guide](#) for more details.

Where can I print my poster onsite?

Presenters are responsible for printing and bringing their posters to the conference. We set up a link with a poster printing company, PosterSessionOnline, for your convenience – see the [Poster Guide](#) or [Poster Details](#) for more information. **Do not ship your poster to the convention center unless you are using PosterSessionOnline.**

What is the printing deadline?

If using PosterSessionOnline, the order deadline is **Thursday, 22 October**. See the [Poster Guide](#) or [Poster Details](#) for more information.

What credentials do I need to access the Poster & Exhibit Hall to set up my poster?

Poster presenters are required to wear their name badge to access the Poster & Exhibit Hall. You will not be able to gain access without a name badge.

My poster tear down time is after the Poster & Exhibit Hall closes. Once I leave the Poster & Exhibit Hall, can I go back in to gather my materials?

IMPORTANT!! Once the exhibit hall closes and the poster presenter leaves, they will not be permitted to access the Poster & Exhibit Hall again. ISPOR strongly encourages poster presenters participating in Poster Sessions 2, 4 and 5, to gather all their materials before the Poster & Exhibit Hall officially closes.

How will I know where to hang my poster?

You will receive a 4-digit poster board number prior to the start of the conference that you can reference on the Poster & Exhibit Hall floor.

When can we hang our posters?

Posters should be hung 30 minutes before your assigned poster session. See pages 2 and 6 in the [Poster Guide](#) for exact timing.

Will ISPOR provide adhesive so I can hang my poster?

Adhesives. **NOTE: Presenters are only permitted to use the provided adhesives on poster boards. Alternative adhesives (especially duct tape) are not permitted.**

Do I need to arrive to my discussion session early?

Yes. We ask that all poster presenters arrive at their posters **15 minutes** prior to the start of the discussion session. Poster presenters are only required to be present during the discussion hour, not the duration of the poster session. See page 2 and 6 in the [Poster Guide](#) for exact timing.

What is a Poster Tour? How do I know if my poster was selected?

Please check your abstract notification email from Jillian Berardo (conferences@ispor.org) to see if your poster was selected for a poster tour. ISPOR Europe 2026 poster sessions serve as galleries filled with visually stimulating science, and we are excited to be enhancing that experience with our poster tour program. Each tour will feature high impact abstracts within a specific topical area.

The poster tours will be a 45 to 60-minute experience comprised of:

- A designated poster tour area within the Poster & Exhibit Hall
- 1 Tour Guide (poster tour host)
- 6 selected posters

During the Poster Tours:

- Each poster presenter (one author per poster) will be asked to provide a brief overview of their poster (3-minutes)
- After each poster overview, there will be an interactive discussion between the poster presenter, attendees, and the tour guide (~5-minutes) before moving to the next poster.

What is the dress code for the conference?

The dress code for ISPOR Europe 2026 is business casual.

As a presenter, do I need to register for the conference?
