Educational material guidance from experts, each year the Chapter engages new members to join the Chapter.

January 28-29- ISPOR Armenia Chapter organized workshop and the second meeting of Armenian Chapter at Yerevan State Medical University with three main topics A. "Introduction to HTA" by Anush Perikhanyan PharmD, MPH B. "Use of eHealth in HTA" by Tigran Arzumanov MBA (Switzerland) C. "Use of EHRs in comparative effectiveness research. Data issues, claims data, lab data productivity data, mortality data." By Vahram Ghushchyan MA, PhD (USA, Armenia). Objective: to introduce eHealth and usefulness of electronic health records (EHR) in health care decisions based on different comparative analysis. Also, to introduce the future of HTA development in Armenia.

Chapter's accomplishments in 2016 with regard to research

Three ISPOR active members have participated in ISPOR 19 Annual European Congress 2016: A. With 1 poster presentation by Anahit Sevikyan B. 2 presentations in forums (CEE Network Forum on The Burden of Hepatitis C and ISPOR Chapters of the Eurasian Economic Union countries joint meeting) by Anush Perikhanyan.

Chapter's accomplishments in 2016 with regard to policy-related activities

In 2015 HTA experts group has been established by ISPOR Armenia Chapter and since then we serve our public health and join other policy related programs.
