<p>Chapter's accomplishments in 2017 with regard to education and training.</p>	<p>During 2017 we fostered our members to participate in the short courses during the 6th Latin America Conference. Also we organized the 6th ISPOR Brazil meeting.</p>
<p>Chapter's accomplishments in 2017 with regard to research.</p>	<p>During the 6th ISPOR Brazil meeting we performed a survey about the Brazilian stakeholder views about cost-effectiveness threshold and payment models. The results of this survey were submitted as an abstract to 23rd Annual International Meeting in Baltimore</p>
<p>Chapter's accomplishments in 2017 with regard to policy-related activities.</p>	<p>In June 2017, the Brazilian chapter participated, with the authorization of the ISPOR director for Latin America, of a public consultation regarding the Brazilian HTA law.</p>
<p>Chapter's accomplishments with regard to Chapter meetings, workshops, or conferences in 2017.</p>	<p>The 6th ISPOR BRAZIL meeting was held in São Paulo in 12/5/2017. The event was attended by 150 people. Probably the 6th Latin America Conference held in São Paulo in September 2017 affected the usual number of participants. The event had an agenda with relevant themes highlighting the plenary and space dedicated to the patient. The speakers represented the views of the pharmaceutical industry, government, academia, patients, and other health sector institutions. The highlights of the event were the lecture on Ethics in Health with Professor Leandro Karnal, Mara Gabrielli's teleconference (she is a congresswoman who supported our Brazilian Meeting and the leader of Mara Gabrielli's Institute a NGO for patients) and participation of the President elected of ISPOR Prof Frederico Augustovski who lectured about Cost Effectiveness Threshold. The meeting had institutional support from the Ministry of Health and CONITEC</p>

<p>Describe any regional patient engagement activities.</p>	<p>The 6th ISPOR Brazil program (similarly to what was done in 5th ISPOR Brazil) included a plenary session with the theme " The patient with the word ". The whole session was destined to patients and coordinated and presented by them. There were 4 associations presenting and 15 other invited associations in the audience. The meeting also had institutional support from the Mara Gabrielli Institute (an association of patients with great action in Brazil). Mara Gabrielli is a congresswoman who supported our Brazilian Meeting and also did a teleconference during our meeting.</p>
