Croatia Regional Chapter Annual Report - 2016

Chapter's main goals for 2017

Communication on HTA capabilities report to the key stakeholders in the field of pharmacoeconomics and outcomes research in Croatia. Active participation at the 7th Adriatic Congress on Pharmacoeconomics and Outcomes Research. Organization of ISPOR Croatia Chapter Workshop: Looking ahead on Perspectives of Pharmacoeconomics and Policies. Active participation at the ISPOR 22nd Annual International Meeting. Active participation at the ISPOR 20th Annual European Congress.

3 challenges the Chapter is facing at the start of 2017

1

New Chapter Constitution according to the ISPOR recommendations.

2

To develop relationship with different stakeholders within the academia and other institutions related to the public health.

3

To increase the number of members of the society, especially experts in the field of HEOR.

Prepared this report

Pero Draganić, Assistant Professor, MD, PhD, Agency for Medicinal Products and Medical Devices of Croatia.
