Chapter's main goals for 2017

No

a. Organize a meeting with ISPOR experts in order to find ways and support the development of the ISPOR Cyprus Chapter. For this meeting support from the ISPOR Greece Chapter (Prof. Geitona will be requested). The date could be in May 2017, location and details arrangements to be programmed according to participants preferences. b. Workshop for those interested in HEOR. This will give the opportunity for the development and promotion of HEOR and use in healthcare decision making.

3 challenges the Chapter is facing at the start of 2017

Have support from ISPOR Organization.

1

2

Engage members to work on building activities of ISPOR Cyprus Chapter in line with the ISPOR Organization.
