## Czech Regional Chapter Annual Report - 2016

**Describe any activities organized for students or new professionals**

None, students usually involved in international activities. No separate student's Czech organization in place due to low number of students.

**Chapter Affiliations**

Cooperation with the Czech Medical Society.

**Sponsorship Agreements**

**Formal comments to governments or health authorities**

**Input to national or regional HTA activities**

Only is invited to comment.

**Committees or special interest groups**

Since this is a multinational chapter, we are implementing national committees in each country, currently we have in Panama and soon in Dominican Republic. Other countries committees will be created in the near future.

**Registered with regional authorities**

Yes.

**Chapter's main goals for 2017**

Yes, as a non-profit organization (requested by law).

Czech and Slovak conference (Autumn). Changes in HE assessment, centers of excellence (Spring 2017).

Discussion on cardiovascular drugs, diabetes (Spring 2017).

**3 challenges the Chapter is facing at the start of 2017**

Place of cost effectiveness in the assessment process (budget scarcity).

**1**

Risk-sharing
