ISPOR INDIA CHAPTER

INVITATION

I have great pleasure in informing you that Society for Pharmacoeconomics and Outcomes Research is organizing the Fourth International Conference on “International Conference of Pharmacoeconomics and Outcomes Research” on 31st Oct and 1st Nov 2015, at Delhi Pharmaceutical Sciences & Research University, New Delhi. The emphasis of the symposium will be on topics related to Pharmacoeconomics and Outcomes Research. More than 300 scientists/ professionals from academia, industry and regulatory bodies from all over the country, as well as from abroad, will participate in the meeting and deliberate upon the most important issues like Value Based Pricing – New Trend in HTA, Real World Evidence & its Importance for Regulations, Statistical Considerations in Health Economics and Evaluations, and many more related topics.

I am looking forward for your active participation in making this conference a great success.

Professor S. K. Gupta
