## CALL FOR ABSTRACTS

**ABSTRACT SUBMISSION OPEN: 1 DECEMBER 2017**  
**ABSTRACT SUBMISSION DEADLINE: 1 JULI 2018**

### ABSTRACT SUBMISSION INFORMATION

#### RESEARCH ABSTRACTS:

Outcomes research on all health care interventions including drugs, devices, and disease prevention, are considered. Abstracts are evaluated on the quality of the study (or concept) and the quality of the presentation. Authors of accepted abstracts are required to transfer copyright to ISPOR. Abstracts that have been submitted to another conference and copyright has been transferred to another organization will not be considered. Accepted research is presented as a 15-minute podium presentation or a poster presentation with an author discussion hour. All podium presentations and the top 10% of poster presentations, based on peer review evaluation, are recognized as finalists for an ISPOR Research Presentation Award.
