Regional Chapter Annual Report - 2015

How does your Chapter fulfill ISPOR's mission to promote health economics and outcomes research excellence to improve decision making for health globally? Describe how it supports the development and promotion of the discipline of health economics and outcomes research in your region.

How can the ISPOR organization as a whole (Staff, Board, Consortia, Networks, etc.) better support your Chapter?

Please indicate who prepared this report, include title, phone, email.

We try to consolidate one group of persons from different working areas. The members which were incorporated last year have academic profiles. It will be important to consolidate this group.

We received continuous support from ISPOR. I think we need especially support for academic meetings here.
