Q40 To advance HEOR in lower and middle income countries (LMICs), as defined by the World Bank, ISPOR offers benefits to members and Chapters in these countries. If your Chapter is located in an LMIC, do you value and use the current benefits? Are there additional benefits that you would like ISPOR to provide at the Chapter or individual member level? (click on links for further information)

We evaluated and decided no to use them because government officials have some barriers and they cant accept the benefit; pharma people is not able to apply to this benefit. So almost 51% of our member couldnt apply to the benefit thats why we prefer not to use the benefit.

Q41 What are the 3 major challenges the Chapter is facing at the end of 2018? How do you think ISPOR can help you in addressing these challenges? Please provide specific examples.

1. **Board members have their own agenda so they cant give time enough to participate in the activities**
 2. **HTA decision makers thing ISPOR is sponsored by pharma industry**
 3. **Chapter need to offer some extra value to engage members that could work at least 1 year.**
