

ISPOR Russia St. Petersburg Chapter Annual Report

TO:

Board of Directors

International Society of Pharmacoeconomics and Outcomes Research

505 Lawrence Square Blvd. South

Lawrenceville, NJ, 08648, USA

PREPARED BY

Professor Alexey Kolbin, MD, PhD, Professor, Doctor of Science

Head, Department of Clinical Pharmacology and Evidence-based Medicine

First Pavlov State Medical University of St. Petersburg

Professor, Department of Pharmacology, Faculty of Medicine St. Petersburg State University

St. Petersburg, Russia

Tel: 89217590449

Email: alex.kolbin@mail.ru

Background:

ISPOR Russia St. Petersburg Chapter was accepted in November 2012. The Chapter has 42 members. The current leadership of the chapter is comprised of the following members:

President	Alexey Kolbin, MD, PhD, Professor, Doctor of Science, Head, Department of Clinical Pharmacology and Evidence-based Medicine, First Pavlov State Medical University of St. Petersburg; Professor, Department of Pharmacology, Faculty of Medicine St. Petersburg State University; Head of the Regional Centre for the Monitoring of the Safety of Medicines (Pharmacovigilance) in the North-Western Federal District of Russia and the city of St Petersburg St P Russia, Saint Petersburg, Russia.
Vice President	Edwin Zvartau, MD, PhD, Doctor of Science, Professor, Head of the Department of Pharmacology, Faculty of Medicine, St. Petersburg State University, St. Petersburg, Russia
Executive Director	Dmitry Belousov, PhD, MD, CEO of Center for Pharmacoeconomics Research, St. Petersburg, Russia
External Relations Director	Zakhar Golant, PhD, Head of the Board at NCP "Medical-pharmaceutical projects. XXI century" (cluster organization), St. Petersburg, Russia
Secretary/Treasurer	Alexey Kurilev, MD, Medical Expert of Laboratory of Clinical Pharmacology, Faculty of Medicine, St. Petersburg State University, Russia

Members of the ISPOR Russia St. Petersburg Chapter Executive Committee, ISPOR Members:

Alexandra Burbello, MD, PhD, Doctor of Science, Nord-West State Medical University, Professor, Clinical Pharmacologist; Alla Rudakova, PharmD, PhD, Doctor of Science, SPbCPhA, Professor; Andrey Pavlysh, MD, PhD, Pavlov State Medical University of Saint Petersburg; Boris Andreev, MD, Doctor of Science, professor, St. Petersburg State University, Head of the department of pharmacology; Georgy Manikhas, MD,

PhD, Doctor of Science, City Oncological Clinic, Head; Yulia Balykina, MS, St Petersburg State University, Assistant; Maksim Proskurin, MS, St Petersburg State University, Assistant; Julia Gomon, DrPH,MD, St. George the Martyr City Hospital, Clinical pharmacologist; Nikolai Klimko, MD, PhD, Doctor of Science, North-Western State Medical University, Head of the department; Sergey Zyryanov, MD, PhD, Doctor of Science, Russian State Medical University, Professor, Head of the laboratory of clinical pharmacology; Oleg Karpov, MD, PhD, Doctor of Science, Professor, Sanofi, Head of Health Economics and Pricing Policy, Market Access Dept; Natalia Zakharova, MD, PhD, Doctor of Sciences, Professor, North-Western State Medical University; Stanislav Malyshev, St. Petersburg State University, student.

29. Zyryanov S.K., Belousov Yu.B., Kamaev A.V., Krivoborodov G.G. Assessment of original tamsulosin and its generics. *Urology*. 2013;(5):28-32.
30. Zyryanov S.K., Yuschuk N.D., Znoyko O.O., et al. Pharmacoeconomic assessment of telaprevir combined with pegylated interferons and ribavirin in patients with chronic hepatitis C. *Clinical Pharmacology and Therapy*. 2013; 4:86-91.

31. Belousov Yu.B., Afanaseva E.V., Efremova E.A. Pharmacoeconomic analysis of the application of anti-drugs as monotherapy in the early stages of Parkinson's disease. Good Clinical Practice. 2013; 1:27-43.

32. Belousov Yu.B., Afanaseva E.V., Efremova E.A. Cost-minimization analysis therapy in first-line HIV therapy rilpivirine and raltegravir. Good Clinical Practice. 2013; 1: 44-46.

2. Oral and Poster Presentations at the ISPOR International Meetings and European Congresses:

1.Kolbin A., Kurylev A., Balykina Yu., Proskurin M. FIRST RUSSIAN TYPE 2 DIABETES MELLITUS SIMULATION MODEL WITH DISCREET EVENTS MODELING. HEALTH-ECONOMIC ANALYSIS. Value in health. ISPOR 16 annual European Congress. November 2-6, 2013. PDB38. Pg437.

3. Oral and Poster Presentations at the Russian Meeting on Health Economics and Health Technology Assessment Researches:

1. XVII congress of pediatricians of Russia "Actual problems of pediatrics". Moscow, 14-17.2.2013.
2. XX National Congress "People and medicines". Moscow, 19.04.2013.
3. VII International Congress "The development of pharmacoeconomics and pharmacoepidemiology in Russian Federation". Moscow, 4.3.2013.
4. XII Congress of therapists of Saint Petersburg and Northwestern Federal District of Russia. Saint Petersburg, 19.3.2013.
5. Scientific and clinical symposium "Pharmacoeconomics of HAART". Saint Petersburg, 5.4.2013.
6. XX Russian National Congress "People and medicines". Moscow, 19.4.2013.
7. The 5th International Woman Forum. Moscow, 17.5.2013.
8. All-Russian conference "Recent issues of clinical pharmacology and provision of medicines". Smolensk, 20.5.2013.
9. Baltic international oncologic forum 2013 "Cancer prevention and screening". Saint Petersburg, 23.5.2013.
10. XIX International ophthalmologic congress "White nights", Saint Petersburg, 27.5.2013.
11. XV International congress on antimicrobial therapy. Moscow, 24.5.2013.
12. The 2nd forum with international participation on prevention of non-infectious diseases and health promotion "For healthy life". Ekaterinburg, 6.6.2013.
13. IX annual international Conference "Recent issues in quality of medical and drug care". Sochi, 2.07.2013.
14. VIII All-Russian Medical Forum in Syberian Federal District. All-Russian Non-Government Organization "Physician Society of Russia". Novosibirsk, 6.9.2013.
15. XXII Congress of Pavlov Physiologic Society, School-seminar for physicians "From physiology to clinical pharmacology". Pavlov Physiologic Society. Volgograd, 18.9.2013.
16. All-Russian Scientific and Clinical Conference with international participation "Translational medicine – the innovative way of development of modern psychiatry". Samara, 19.09.2013.
17. VIII Annual Congress of Russian Association of perinatal medicine specialists "Perinatology: organization, technology, quality". Russian Association of perinatal medicine specialists. Moscow, 23.9.2013.
18. International Forum "Europe and Russia: The development thrust", III Session "Health technology assessment as an effective tool for decision-making". Kazan, 25.9.2013.
19. All-Russian Scientific and Clinical Conference with international participation "Pharmacotherapy and dietetics in pediatrics". Moscow, 27.9.2013.
20. VIII All-Russian Medical Forum in Northwest Federal District. All-Russian Non-Government Organization "Physician Society of Russia". Saint Petersburg, 10.10.2013.
21. XVIII Russian National Congress "People and Health". Saint Petersburg, 16.10.2013.
22. VIII Scientific Congress "Rational Pharmacotherapy 2013". Saint Petersburg, 11.10.2013.
23. International Congress "Neuroscience and HIV infection". Saint Petersburg, 21.10.2013.
24. III Scientific and Practical Conference "Safety and Legal Maintenance of Medicines: From Development to Medical Application". Kiev, Ukraine, 23.10.2013.
25. VIII All-Russian Medical Forum in Privolzhsky Federal District, II Conference of Therapists of Privolzhsky Federal District. All-Russian Non-Government Organization "Physician Society of Russia", International Society of Internal Medicine (ISIM), European Federation of Internal Medicine (EFIM). Nizhny Novgorod, 25.10.2013.
26. XVII Russian Oncologic Congress. Blokhin Russian Scientific Center of RAMS (Moscow), The Society of oncologists-chemotherapeutists with the participation of American Society of Clinical Oncology (ASCO),

European Society of Clinical Oncology (ESMO), European Society of Gynecological Oncology (ESGO), Medical Genetic Scientific Center of RAMS. Moscow, 13.11.2013.

27. Adam Smith Conferences' 1st international Forum "Clinical Trials Russia". Moscow, 21.11.2013.

28. VIII All-Russian Medical Forum in Southern Federal District. All-Russian Non-Government Organization "Physician Society of Russia". Rostov, 22.11.2013.

29. "Justice, Quality, Economy", Moscow. 17.12.2013.

4. ISPOR Russia St. Petersburg Chapter Meeting:

1. Seminar dedicated to Chapter in SPb, Saint Petersburg, 14.3.2013.

2. Life Sciences Invest. Partnering Russia. Saint Petersburg, 30.10.2013.

5. ISPOR Russia St. Petersburg Chapter Training Courses:

1. Advanced training courses for physicians "Main issues of health technology assessment (of technologies used in healthcare)". At the premises of Pavlov State Medical University of Saint Petersburg. Saint Petersburg.

2. Seminar as a part of the educational program "Management in Healthcare". Graduate School of Management (MBI). Saint Petersburg State University. Saint Petersburg.

6. HTA Guidelines

1. Health technology assessment, 2013 г. Under the general editorship of Yu.B. Belousov. Moscow: OKI Publishing house. – 2013.-40 p.

2. Main concepts in health technology assessment: guidance / under the general editorship of Kolbin A.S., Zyrjanov S.K., Belousov D.Yu. Moscow: OKI Publishing House, 2013. —42 p.: il.

7. Presentation of ISPOR on Federal and Regional Government Meetings, Promotion activities and Membership Development

1. The decrease in infant mortality as a priority of demographic politics of Russia. The role of technology assessment in healthcare. Legislative Assembly of Saint Petersburg, 2013.

2. The Federation Council Chairman's Scientific Council on application of health technology assessment in Russia, 2013.

3. Section "Medicine and pharmacology" of Social Guardianship Council of the Government of Russia. Moscow, 27.12.2013.

8. Journals where ISPOR Russia St. Petersburg Chapter members are editors and which provide ideology and methodology of pharmacoeconomics and health technology assessment

1. Good Clinical Practice. www.clinvest.ru

2. Pharmacoeconomics. Modern Pharmacoeconomics and Pharmacoepidemiology.

9. Own websites
