No

Expanding the workshops "New perspectives on pharmaceutical economics and policies" to a much broader audience, including management of hospitals, health care authorities and patient groups. Launching the website: originally scheduled for 2016, but postponed as we would like to establish strategic partnership with media to enhance the reach to the target audience. Active participation at the 7th Adriatic Congress of Pharmacoeconomics and Outcomes Research and ISPOR 20th Annual European Congress.

Restructuring of the local chapter with 10 permanent members coming from academia and health care authorities.
