The seminars: facts

- **Attendance:** approx. 40 - 50 participants/event from private and public sector including health insurance companies, the Ministry of Health and academia.
- **Feedback:** 92 – 95% of participants were very satisfied with the events
- **Special guests from Slovakia:**
 - **Mgr. Iveta Rajničová-Nagyová, PhD.** (University of P.J. Šafárik) – methods of assessment of quality of life
 - **Prof. MUDr. Jozef Glasa, CSc.** (Slovak Medical University) – ethics in PE
 - **MUDr. Branislav Koreň, PhD. Ľubica Hlinková** (representatives of Health insurance companies Dôvera and VŠZP) – views of payers
 - **PharmDr., PhD. Matej Petrovič** (representative of the Ministry of Health) – view of the regulator

The First CEE ISPOR Network Cross-border joint meeting

- **6th May 2016**
- ISPOR Chapter Slovakia and ISPOR Chapter Hungary.
- The Quality of HTA reflecting ISPOR guidelines in the CEE region – Case studies Slovakia and Hungary.
- Legislative framework, quality of outputs and filling the gaps in both countries.
- **Numbers:** 82 participants, 20 from Slovakia, 62 from Hungary.
- Very good and positive feedbacks.
- Other countries (e.g. Poland) are interested in similar events.

The First CEE ISPOR Network Cross-border joint meeting

Plans for the future

- Next 3 seminars in 2017
- Topics (will be decided):
 - All members are welcomed to propose their topics of interest
 - From theory to practice (biostatistics, modelling techniques etc.)
 - Another international seminar?

Thank you for your attention
