Upcoming Activities for ISPOR Spain Chapter 2015

Despite being unable to perform any activity during 2014, our intention, as in previous years, is to return to activities during 2015. In particular, we must change the Board of the chapter this year and for this purpose, we are organizing a meeting to establish the change and thus we take advantage of the meeting to discuss other issues of interest to the group. ISPOR will receive the agenda as we have it.

Second, and following the dynamics of the previous years (except 2014), we are interested in an activity during the EU congress. We will inform ISPOR timely on activities and dates.

| Date | Activities |
|-------------|--|
| Q1 | Meeting with chapter-members to start the process for the renewal of the Board; establish the secretary, which will coordinate all activities; reorganize working groups, etc. |
| Q4 | Organize one activity during the European ISPOR congress |
