

Ukraine Regional Chapter Annual Report - 2016

President	Olha Zalis'ka, PhD, Professor & Head of the Department of Organization and Economy of Pharmacy, Drug Technology and Pharmacoeconomics, Faculty of Continuing Education, Danylo Halytsky Lviv National Medical University, olzaliska@ukr.net
President-Elect	Oresta Piniashko, PhD (c.), Assistant of the Department of Organization and Economy of Pharmacy, Drug Technology and Pharmacoeconomics, Faculty of Continuing Education, Danylo Halytsky Lviv National Medical University, orestapb@gmail.com
Past President	Olha Zalis'ka
Secretary	Mariya Leleka, PhD, Associate professor of the Department of Organization and Economy of Pharmacy, Drug Technology and Pharmacoeconomics, Faculty of Continuing Education, Danylo Halytsky Lviv National Medical University, lelekamariya@gmail.com
Treasurer	Yulia Kacheray, PhD, Associate Professor of the Department of Organization and Economy of Pharmacy, Drug Technology and Pharmacoeconomics, Faculty of Continuing Education, Danylo Halytsky Lviv National Medical University, jmaynych@ukr.net
Director	Tolubaiev Viacheslav, PhD, Research Committee, tolubaiev@ukr.net
Director	Irynychyn Grygoriy, PhD, Education Committee, grin_72@mail.ru
Director	Soloviev Sergey, PhD, Publication Committee
# Regional Chapter members	95
# Full ISPOR members	24
Chapter benefits	participation in national conferences, workshops, communication and exchange knowledge on HEOR and HTA, participation in local conferences in Ukraine
Chapter's accomplishments in 2016 with regard to membership recruitment, retention, and engagement	Organization of 2 local chapter conferences (April, September 2016), 3 workshops for students and young professionals (March, June, October). Online publication of articles in a specialized journal in Ukraine -Apteka.ua

Ukraine Regional Chapter Annual Report - 2016

Chapter's accomplishments in 2016 with regard to education and training

Lectures and practical seminars on HEOR and HTA on postgraduate programs at the Department of Organization and Economy of Pharmacy, Drug Technology and Pharmacoeconomics, Faculty of Continuing Education, Danylo Halytsky Lviv National Medical University; Organization of 2 local chapter conferences (April, September 2016), 3 workshops for students and young professionals (March, June, October). Online publication of articles in specialized journal in Ukraine - Apteka.ua and medical journals Rational Pharmacotherapy.

Chapter's accomplishments in 2016 with regard to research

Publications: textbook, articles and abstracts

1. Textbook for postgraduate study of pharmacists: "Organizational and technological aspects of extemporaneous medicines in pharmacies", edited by prof. Zalis'ka O.M., Lviv, 2016: Adopted by MoH and MoEd. – Publish by Liga Press– 185 p.
