**Describe your Chapter's accomplishments for 2015 with regard to Scientific and Educational activities.**

Working Programme for masters on pharmacoeconomics was compiled in 2015. Besides working Programme for talented students on pharmacoeconomics was compiled. This year the following articles have been prepared to publication (edition): PHARMACOECONOMIC EVALUATION OF DOMESTIC ORIGINAL PREPARATION "SUCCINASOL" PREDICTION OF THE POPULATION MORBIDITY DUE TO ASTHMA

**Describe your Chapter's accomplishments for 2015 with regard to Policy-related activities.**

A new domestic preparation "Succinasol" is presented in this paper. According to its studied description it is the most appropriate agent for the purposes of detoxification, salt regulation, acid alkaline balance correction etc. Besides the above-mentioned properties, the preparation has an original energy producing effect. Succinic acid containing in the composition of preparation is able to be oxidized in the tissues when the oxygen content is reduced. "Succinasol" normalizes the acid-base status not due to passive neutralizing particularly oxidized products in the blood, and the normalization of metabolic processes in cells, relieves pain. The salt composition of the preparation is balanced with the composition of normal plasma. Cost evaluation of health care expenditures on hospital care for burn injuries, is given with a focus on result - effectively treated patient. It is demonstrated that large-scale implementation of measures on reducing the mortality rate in thermal burns requires large financial investments and adequate organizational resource involving State budget agents (investments) for the program. It is shown that for the optimization of burn centers activity and burn units of hospitals the organization of the national register and introduction of the quality control system created on the basis of standards and target indicators is required.

## Regional Chapter Annual Report - 2015

<p>Describe your Chapter's accomplishments for 2015 with regard to Chapter meetings or conferences.</p>	«Be the CHANGE Group» conference, 28/07/2015 "EFFECTIVE PROJECT PLANNING AND EVALUATION IN HEALTH RESEARCH" international training (36 academic hours) "International Society for Pharmacoeconomics and Outcomes Research (ISPOR) ISPOR Health Technology Assessment (HTA) Training Program for Countries in Asia, 22-24 September 2015, Astana Medical University Conference Center Astana, Kazakhstan) "Modern (current) problems of diagnostics, treatment and prevention of allergic diseases " VII Republican scientific-practical conference, "Actual problems of pharmacy in education, science and manufacture", 19-20/11/2015
