Biggest Challenges during the year? (Note: This may be used as part of a blurb for the Student Newsletter)

Communication was one of the challenges we faced as a committee. It was quite challenging to communicate with the students and Faculty Advisors who hardly responded to our mails.

2. Due to the restrictions caused by the pandemic we were not able to accomplish certain tasks. This also made it difficult for us to initiate or finalize the forming of newer chapters in some universities.
 3. The pandemic also caused a lot of mental and physical stress to us.
-

Q9

Solutions/Suggestions For Overcoming Challenges (Note: This may be used as part of a blurb for the Student Newsletter)

1. There should be plans in place to help the students cope with the mental stress caused by the pandemic.
 2. Collaborate with the Student Regional Leads while contacting potential student chapters from their regions.
-

Recommendations for Future Committee Members (Note: This may be used as part of a blurb for the Student Newsletter)

1. A lot of effort should be put into creating an effective communication with the students and Faculty Advisors.
