## **ABSTRACT & PROPOSAL SUBMISSION INFORMATION**

### **RESEARCH ABSTRACTS**

Outcomes research on all health care interventions (including drugs, devices, behavioral modification programs, surgery, disease prevention, gene therapy, screening, diagnostic procedures, and health education) and on all diseases or methodologies are considered. Abstracts are evaluated on the quality of the study (or concept) and the quality of the presentation. Authors of accepted abstracts are required to transfer copyright to ISPOR. Abstracts that have been submitted to another meeting and copyright has been transferred to another organization will not be considered. Accepted research is presented as a 15-minute podium presentation or a poster presentation with an author discussion hour. *All podium presentations and the top 10% of poster presentations, based on peer review evaluation, are recognized as finalists for an ISPOR Research Presentation Award.*

### **ISSUE PANEL PROPOSALS**

Issue panel presentations are designed to show a real debate or discuss multi-stakeholder perspectives on a new or controversial issue in health economics and outcomes research (HEOR) or its use in health care decision making. Speakers must represent different organizations and present the involved stakeholders' perspectives and distinct/opposing views. Length: 1 hour with time for Q & A.

### **WORKSHOP PROPOSALS**

Workshop presentations discuss new and innovative applications in the conduct and use of HEOR, real world data, health care policy, and clinical, economic, patient-reported, or patient-preference outcomes. Speakers must represent different organizations. Length: 1 hour with time for audience interaction.

# ISPOR 23RD ANNUAL INTERNATIONAL MEETING

## MAY 19-23, 2018

### BALTIMORE CONVENTION CENTER, BALTIMORE, MD, USA

**ISPOR's Annual International Meeting is an international forum highlighting research and methods that advance the quality and value of health care decisions.**

#### **WHY SUBMIT TO ISPOR BALTIMORE?**

ISPOR is recognized globally as the leading educational and scientific organization for health economics and outcomes research (HEOR) and its use in health care decisions. ISPOR's International Meeting is the place to present your new research and to learn from the experts!

- **Audience:** More than 4,000 meeting attendees from the global HEOR community.
- **Advance the Science:** Contribute your research; share your knowledge and ideas.
- **Extend Your Research Impact:** The promotion and dissemination of ISPOR meeting content, coupled with the ISPOR attendee profile and global recognition, broadens the reach and impact of your research.
- **Career Development Opportunities and Recognition:** Abstract publication and research excellence award finalist eligibility. All presented research abstracts are published in *Value in Health*.

**Submission Deadline is January 17, 2018**

**NO FEE FOR ABSTRACT SUBMISSION**

#### **WHO ATTENDS?**

The ISPOR scope and sphere of influence includes the international HEOR community of global leaders, policy makers, regulators, researchers, academicians, payers, decision makers, patients, and patient groups. This multistakeholder group is invested in using science and research to make better health care decisions.

#### **WHY ATTEND?**

- **Learn** about different and innovative applications in the conduct and use of HEOR.
- **Engage** with recognized global experts in the field.
- **Network** with colleagues, collaborators, and clients.
- **Share** your research and ideas with other ISPOR members in an open and objective environment.
- **Stay current** on emerging trends in health care.
