

Invitational Group Meetings

The following is a list of the *by invitation only ISPOR group meetings* during ISPOR 2018. ISPOR members worldwide are actively participating in ISPOR working groups to advance global health outcomes research and the use of this research in healthcare decisions. These ISPOR groups provide an opportunity for members to contribute to translating outcomes research into healthcare decisions.

Please note: invitees will receive an email reminder and notification of any changes to this ISPOR group meeting schedule
