

# ISPOR 20TH ANNUAL INTERNATIONAL MEETING

May 16-20, 2015 • Philadelphia Marriott Downtown • Philadelphia, PA, USA

## RESEARCH POSTER PRESENTATIONS OVERVIEW

Over 1,620 poster presentations will be on display during the meeting in **Franklin Hall (Level 4)**

- The poster hall is now organized in rows (A-X) and each poster board is numbered accordingly (e.g. A1, L15)
- Each poster presentation has been assigned a specific numbered board location, which is shown next to the poster presentation title. Please note this is different than the poster code (e.g. PHP1, PCV57), which was assigned to each poster presentation upon acceptance.
- Poster presentation titles and authors, as well as the numbered board location and abstract page reference in *Value in Health*, are available on the [myISPORPhiladelphia.zerista.com](http://myISPORPhiladelphia.zerista.com) meeting platform and mobile app. This information is also available as a PDF on the ISPOR website and as a handout at the Poster Help Desk (please note quantities are limited).
- An Author index is available in *Value in Health* 18 (3), which is available near ISPOR registration and online at [http://www.ispor.org/valueinhealth\\_index.asp](http://www.ispor.org/valueinhealth_index.asp).
- Poster board numbering is available on the floor plan on page 45 and row locations (by topic) are available in the table on page 13.
